Tax Considerations

The gift value of the securities is the average between the high and low prices, multiplied by the number of shares transferred, on the date one of the following occurs:

1. The securities are placed in an account in the name of Strathmore Hall Foundation;
2. The securities and stock powers are hand delivered or mailed (date of postmark) to Strathmore Hall Foundation.

For questions, please contact Erin Phillips, Director of Donor Engagement, at 301-581-5160 or ephillips@strathmore.org.
